

## GARDENING AND LANDSCAPING SERVICES CAPABILITY STATEMENT

Gardening and Landscaping Services is a business unit of Green Connect,  
a social enterprise operating in the Illawarra.

### What we do

We are focused on delivering environmentally sound and socially responsible garden and landscape projects for residential, commercial, and government clients.

#### This work includes:

##### PROJECT CONSULTANCY

If you are just starting work on a project or looking to make major changes but are not sure where to start, we offer tailored project consultancies to guide you through the design and implementation of sustainable gardens and landscapes, suited to your climate and lifestyle.

##### IMPLEMENTATION OF GARDEN & LANDSCAPE DESIGNS

If you have a design ready to go, we can provide the skill and capability to get the job done. From establishing new gardens and landscapes to rearranging existing sites, our staff will deliver landscaping services to a professional standard.

##### GARDEN AND LANDSCAPE MAINTENANCE

If you have property that needs maintaining, we can arrange for a one-off blitz to get everything under control, and/or a regular maintenance team to keep everything neat and tidy.

### Why choose Green Connect

#### SUSTAINABLE WORK FOR A SUSTAINABLE FUTURE

We are focused on providing high quality gardening and landscaping expertise with a sustainable approach to the work conducted. Utilising environmentally low-impact methods, we achieve outstanding results while benefitting the planet.

#### HIGH QUALITY GARDENING AND LANDSCAPING EXPERTISE

The Gardening and Landscaping Services team can call on Green Connect's wealth of knowledge about sustainable practises and have the ability to implement those changes in a practical, hands on role.

#### CUSTOMISED SERVICES

Our team takes pride in our work and delivery of quality services and products. We work closely with you to ensure that we provide a solution that meets your business needs.

#### EXTENSIVE EXPERIENCE

We have worked with over 50 clients including Select Civil, Soilco, Wollongong City Council, Mirvac, Architects of Entertainment and dozens of small businesses to provide staffing solutions and environmental services.

### OUR IMPACT IN FY21

Our staffing solutions  
employed 111 young people  
and former refugees

At our 11 acre farm, we grew  
and distributed 35,118kg of  
chemical free food

We directly diverted  
157 tonnes of waste  
out of landfill

## CASE STUDY: NewDay Church

**CUSTOMER:** NewDay Church, Figtree

**SERVICE:** Consultancy, horticulture, site maintenance

**RESULT:** Revegetation and maintenance of 7-acre site

Green Connect has been working with NewDay Church for over 12 months to maintain and beautify their 7-acre property in Figtree. Starting with land rehabilitation and targeted clearing of invasive species, we now coordinate a gardening and landscaping team on a weekly basis that focuses on maintaining the property to be presentable to their community.

### Services have included:

- Native Regeneration Consultancy
- Planting
- Brush-cutting
- Mulching
- Weeding
- Designing and building a children's garden

## CASE STUDY: Major Infrastructure Projects

**CUSTOMER:** HL Landscapes

**SERVICE:** Commercial Landscaping

**RESULT:** Vegetation of 150,000 square kilometres along major roads and rail corridors

Green Connect has worked for HL Landscapes since 2020, offering detailed maintenance services across major infrastructure projects for CPB Contractors and Acciona including the New Northern Road upgrade and Parramatta Light Rail

### Services have included:

- Installing plants and trees
- Turfing
- Mulching garden beds
- Maintenance – weed management and weed eradication

## Certification and Social Outcomes

**Green Connect is committed to achieving strong social and environmental outcomes. Through working with Green Connect, you can help enhance your workplace through diversity and social employment.**

We have found time and again that our staff not only demonstrate excellent work ability, but also become valuable team members. We are always eager to also help promote these social outcomes in your reporting and media, as well to help better fulfil procurement and contract criteria.

### REGISTERED CHARITY

The Australian Charities and Not-for-profits Commission is the national regulator of charities. Green Connect is registered for its services for refugees and asylum seekers, youth and people experiencing disadvantage

### SOCIAL TRADERS CERTIFIED

Social Traders is Australia's peak body for social enterprises. Green Connect is registered for its achievement in social employment and environmental performance.
